Cesar Arvelo Santos has actively been in National Socialist and White Supremacist circles for many years, including working with various KKK chapters, all Nationalist Front (NF) affiliated organizations, and the now defunct Traditionalist Workers Party (TWP). Cesar acted as Logistics Coordinator for the TWP for the 'Unite the Right' rally in Charlottesville, VA last August. Cesar was also the Region 2 Commander for TWP, overseeing memberships across several states throughout the Southeast.

By his own words, Cesar continues to actively organize and spread his National Socialist (Nazi) beliefs. Through his work as an electrician, Cesar also continues to infiltrate within the local working class community via construction sites and specifically targets the Latinx community here in Asheville and WNC. **Dont give him an inch!**
